**Summer Bridge 101: A Step-by-Step Guide To Designing & Developing A Successful Program**  
Friday, May 3 ~ 1:00-2:00pm (Eastern)

Once the live date has passed, this training will be available on demand.

## Overview

---

Summer Bridge programs are one way that many institutions of higher education are making efforts to plug potential leaks in the college pipeline. Whether they are intended to remediate students who come out of high school lacking the academic preparation to be successful in college or address the needs of first-generation college students who need guidance and support to navigate the procedural aspects of college, the goal of Summer Bridge programs is to ease students transition to college while helping them build a foundation for long-term success. Regardless of whether you are looking to develop a new Summer Bridge program for your campus or enhance an existing one, this session will provide you with practical tools for developing and delivering a Summer Bridge program to suit your needs.

### Objectives:

- Gain a better understanding of important considerations to make when designing a new Summer Bridge program or enhancing an existing one
- Learn about multiple possible models for summer bridge programs to target different student populations
- Learn how to empower students by providing the appropriate Summer
- Bridge programming to suit their needs and set them up for success in college
- Determine which assessment strategies and measures are appropriate for their campus and summer bridge program and for leveraging data to support student success

## Who Should Attend?

---

- 2-year & 4-year institutions
- Academic Affairs/Instruction
- Student Services/Affairs
- Outreach & Recruitment Staff
- Advising & Counseling
- Retention Specialist
- First Year Experience Coordinators
- Diversity Directors/Specialists
- Learning Centers

## Summer Bridge 101: A Step-by-Step Guide To Designing & Developing A Successful Program

Friday, May 3 ~ 1:00-2:00pm (Eastern)

### Speaker(s)

---

**Dr. Paz Maya Olivérez / Interim Vice President of Student Affairs**  
*California State University, Stanislaus*

Dr. Paz Maya Olivérez is Interim Vice President of Student Affairs at California State University, Stanislaus and a 2018 recipient of the Outstanding First-Year Student Advocate Award from the National Center for the First-Year Experience & Students in Transition. During her last 10 years as a Student Affairs Administrator, Dr. Oliverez has developed a vision for student success that goes far beyond degree completion. She is a strong believer in the roles that advising, peer mentoring, student engagement, leadership & career development play in adding value to the degree and ensuring that students enter graduate school or the workforce with a competitive edge. Dr. Oliverez has also enjoyed serving as an instructor in multiple Masters in Higher Education Counseling programs where she's had the honor and pleasure of sharing knowledge & expertise from her work in the field while mentoring future student affairs professionals. She holds a Ph.D. in Education from the University of Southern California, an M.S. in Counseling from California State University, Long Beach, and a B.A. in Sociology from the University of California, Santa Cruz.
